Commissioner of Indian Affairs

Washington, D. C.

My Dear Mr. Commissioner:

Answering Office circular letter of March 23, 1920,
herewith is submitted original and duplicate copies of census of
the Indians under this jurisdiction.

It will be noted that the eligible Indian school children
are noted by a checkmark in red ink.

This census which was recently completed indicates that
there are 275 boys and 221 girls under this jurisdiction who are eligible
to attend this school. Of this number there are now in school here
58 boys and 30 girls---all for which there is schoolroom capacity at
present.

Very truly yours,

Stephen Janus

UNITED STATES INDIAN SERVICE

Leup. Indian School,
Leup. Arizona, Nov. 30, 1919.

Hon. Commissioner of Indian Affairs,
Washington, D.C.

My dear Mr. Sells:-

I beg to assure the Office that I am not unmindful of the requirements as to submitting a census of these Indians, and that the Office gave me due notice as stated in Office Letter Ed-Stats. A.H. Oct 28, 1919. Furthermore there is nothing that I desire or need more than an accurate census of the Indians under this jurisdiction. And in view of the fact that a general census of the U.S including the Indians will be taken in January 1920 it is particularly necessary that this work should be well done.

But the loss of Mr. J.W. Bush at Castle Butte has been a serious one as he personally knew the large number of Indians there who form the majority of the Indians under this jurisdiction.

Mr. Peleg G. Kinney went to Castle Butte in July and I authorized him to employ an Interpreter and instructed him to make the census complete up to date. Mr. Kinney found so much repair work to do at the Castle Butte Station when he and Mrs. Kinney moved in that his time was apparently fully occupied and when I returned from my vacation early in September I found that he had made no progress on the census.

I have again instructed him to take up this work and hope that he is doing so and that I shall be able to comply with the instructions of the Office within a reasonable time.

Just as soon as I can possibly collect the necessary data and my Chief Clerk returns from his vacation I will make every effort to complete and forward the census.

Today was Sunday and it is now 10:30 p.m. as I write and I have worked in the office all day and I am going to quit right now.

So Good night! And good fortune to you in this troubled world.

Very respectfully,

Superintendent.

Re-state.

Delinquent census, 1918.

OFFICE OF THE
SOLICITOR GENERAL

Mr. Stephen James,
Capt., Army Medical
Department.

Dear Mr. James:
Circular No. 123, dated May 7, 1917, re-
questing that the census for the fiscal year ended
June 30, 1918, be transmitted to this Office by July
1, 1918, was mailed your Office on May 22, 1918. Ac-
cording to the files of this Office, no census for the
fiscal year ended June 30, 1917, has been received to
date.

In this connection your attention is in-
vited to Section 9 of the Act of July 4, 1904 (33 Stat.
86, 98), which requires the Agents in charge of
Indian reservations to submit annually a census of all
Indians under their jurisdiction.

In view of these facts, the Office requests
you to prepare a census (arranged alphabetically by
families), and submit the same not later than November
15, 1918.

Very truly yours,

E. M. Meritt
Assistant Commissioner.
